## About IRIS

IRIS (a Canon Group company) is a world leader in portable scanner, PDF, OCR, and document classification software.

Since 1987, IRIS experts successfully support customers all over the world, helping them overcome their main business or personal challenges through the use of scanning, capture, and digital transformation solutions.

The company's head office is based in Mont-Saint-Guibert (Belgium) since start, serving more than 30 million consumers and delivering over 1 million personal mobile scanners. Its customers include government organizations (Ministries, European Union), schools & universities, multinationals, local companies, SMB and end-users.

IRIS also invests in the development of a complete range of products serving as indispensable tools for the daily help of students' educational evolution, their families and teachers, revolutionizing the educational landscape. These innovative solutions represent a lifeline for dyslexic individuals and a beacon of support for families and educators alike.

As a technology company, IRIS has built a vast ecosystem of innovation, technology and distribution partners. IRIS is a centre of excellence within the Canon Group.

## Handheld Scanners

### IRIScan™ Book 5

The Fastest Book Scanner

- Scan to JPEG/PDF/multi PDF/Office
- Powerful lifetime free OCR: Readiris
- Convert documents into audio files
- Scan books and magazines
- Portable scanner battery-powered - 12 ppm
- Built-in rechargeable Lithium battery/ 3.7 V
- 300/600/1200 dpi & LCD color screen
- SD card included

### IRISPen™ Reader 8

Revolutionary Reading Pen

- Assistive technology tool
- Scan text & save offline
- DYS text-to-speech offline
- USB-c headset included
- Live memo recording
- Battery 1200 mAh
- LCD color touchscreen
- RAM 2 GB & ROM 16 GB
- SD card (not provided) slot

Available Soon

### IRISPen™ Air 8

Your Ultimate Tool For Success!

- Assistive technology tool
- Scan text & save offline
- DYS text-to-speech offline
- Compatible Bluetooth headset (not provided)
- Live memo recording
- Powerful translation offline
- Battery 1500 mAh
- LCD color touchscreen
- RAM 2 GB & ROM 32 GB
- SD card (not provided) slot

Available Soon

## Multi Sheet Fed Scanners

5

Available Soon

### IRIScan™ Pro 5

High Speed Scanning Document Scanner  
20 ppm/40 ipm - ADF 20 pages

- Duplex scanning
- Powerful lifetime OCR solution : Readiris
- Scan, open office documents, 1 click PDF
- Smart tasks buttons
- Scan documents, invoices, receipts
- Ultrasonic sensor to avoid paper jams
- 300/600 dpi
- USB + AC adapter

### IRIScan™ Pro 6 Wifi LAN

High Speed Scanning Document Scanner  
25 ppm/50 ipm - ADF 25 pages

- Duplex scanning
- Powerful lifetime OCR solution : Readiris
- Scan, open office documents, 1 click PDF
- Smart tasks buttons
- Scan documents, invoices, receipts
- WIFI & LAN scanner
- Ultrasonic sensor to avoid paper jams
- 300/600 dpi
- USB + AC adapter

## Single Sheet Fed Scanners

### IRIScan™ Express 4

High Speed Portable Scanner  
8 ppm simplex single sheet fed

- Powerful lifetime OCR solution : Readiris
- Scan, open office documents, 1 click PDF
- Smart tasks buttons
- Scan documents, invoices, receipts
- A4 scanner & 300/600 dpi
- USB powered

### IRIScan™ Executive 4

High Speed Portable Scanner  
8 ppm/16 ipm duplex single sheetfed

- Powerful lifetime OCR solution : Readiris
- Scan, open office documents, 1 Click PDF
- Smart tasks buttons
- Scan documents, invoices, receipts
- Duplex
- A4 scanner & 300/600 dpi
- USB powered

### IRIScan™ Anywhere 6 Wifi

High Speed Battery Wifi Portable Scanner  
15 ppm simplex single sheetfed

- Powerful lifetime OCR solution: Readiris
- Scan, open office documents, 1 click PDF
- Smart tasks buttons
- Scan documents, invoices, receipts
- Scan speed 15 ppm simplex
- A4 scanner & 300/600 dpi
- Battery 2750 mAh & Wifi
- USB powered

### IRIScan™ Anywhere 6 Wifi Duplex

High Speed Battery Wifi Portable Scanner  
15 ppm simplex single sheetfed

- Powerful lifetime OCR solution : Readiris
- Scan, open office documents, 1 click PDF
- Smart tasks buttons
- Scan documents, invoices, receipts
- Scan speed 15 ppm/30 ipm duplex
- A4 scanner & 300/600 dpi
- Battery 2750 mAh & Wifi
- USB powered

## Camera Scanners

### IRIScan™ Desk 6

The Most Economical Document & Pocketbook Scanner

- Scan, edit and convert pocketbooks, magazines, receipts and documents to digital files
- 12-megapixel CMOS sensor
- Curve flattening technology & fingers removal
- Max. capture size up to A4
- Support multi-language OCR (more than 130 languages)
- Support text-to-Speech (TTS)
- HD video recording

### IRIScan™ Desk 6 Pro

A3 Size, 21 MP Document & Book Scanner

- 21-megapixel CMOS sensor
- Curve flattening technology & fingers removal
- Max. capture size up to A3
- 1D/2D barcode recognition
- Support multi-language OCR (more than 130 languages)
- Support text-to-speech (TTS)
- HD video recording

### IRIScan™ Desk 6 Business

Professional Dual-lens Overhead Book Scanner

- Dual 16-megapixel CMOS sensor (32 mp)
- Curve flattening technology & fingers removal
- Laser positioning
- Max. capture size up to A3
- Support multi-language OCR (more than 130 languages)
- Support text-to-speech (TTS)
- HD video recording

### IRIScan™ Visualizer 7

2-in-1 USB 4K Visualizer

- 13 MP camera with 4K @ 30 FPS output
- AI noise cancellation technology
- Built-in G-sensor, automatically rotates the video
- Dual-mode autofocus (AF-C / AF-S)
- Foldable, compact design to easily move or store
- Interactive VisualCam software
- Micro-SD connectivity

### IRIScan™ Visualizer 7 Pro

Mechanical Arm USB/HDMI 4K Visualizer

- 13 MP Camera
- 4K @ 30 FPS / 1080P @ 60 FPS output
- 16x total zoom to clearly focus on the smallest details
- Quick navigation buttons for easy camera control
- Extremely compact and mechanical arm design
- HDMI and USB connectivity
- Works with an Interactive VisualCam software

### IRIScan™ Visualizer 7 Business

Mechanical Arm Wireless 4K Visualizer

- School network SSID or point-to-Point Wifi connection
- 13 MP with 4K @ 30 FPS output
- 30x total zoom to clearly focus on the smallest details
- Quick navigation buttons for easy camera control
- Extremely compact and mechanical arm design
- Build-in 9 hours rechargeable battery
- Wifi, HDMI and USB connectivity
- Works with an interactive VisualCam software

# IRIS' products revolutionizing Assistive Education

IRIS products serve as indispensable tools for students, families, and teachers, revolutionizing the educational landscape. These innovative solutions represent a lifeline for dyslexic individuals and a beacon of support for families and educators alike.

In the context of Assistive Technology and dyslexia learning aid, IRIS products stand out as versatile and impactful. They empower learning, enhance communication, and transcend barriers, making every learning experience more accessible and fruitful.

For students and families grappling with dyslexia, IRIS products provide invaluable assistance in navigating daily academic challenges. From converting text to speech to facilitating comprehension through various learning aids, these tools foster independence and confidence in learners with diverse needs.

Teachers also benefit immensely from IRIS products, integrating them seamlessly into their educational arsenal to cater to the individual learning styles and requirements of their students. With IRIS, educators can create inclusive learning environments where every student has the opportunity to thrive.

In essence, IRIS has developed a comprehensive range of products that not only support educational endeavours but also foster a culture of empowerment and success. By embracing IRIS technology, students, families, and teachers alike can elevate the learning experience and unlock the full potential of every learner.
