

**Series 4, Food mincer, MultiPower Series 4,  
1900 W, Black, Black  
MFWS440B**

**Designed for highest comfort of use thanks to intuitive operating knob, smart storage solutions, comfortable cleaning and strong motor for perfect mincing results and more**

- Effortless speed setting thanks to the unique operating knob
- Discs and cable are stored conveniently in the integrated storage to easily put away the appliance
- All accessories, knife, discs and pusher are dishwasher-safe
- **Powerful motor with high 1900W motor block power:** easily process big amounts of food in no time
- **Planetary gear box:** strenght and stability for high performance

**Technical Data**

Dimensions :	240 x 175 x 230 mm
Dimensions of the packed product (HxWxD) :	310 x 285 x 360 mm
Pallet dimensions :	207.0 x 80.0 x 120.0
Quantity per packing unit :	2
Standard number of units per pallet :	48
Net weight :	4.6 kg
Gross weight :	5.6 kg
Connection Rating :	500 W
Voltage :	220-240 V
Frequency :	50/60 Hz
Length electrical supply cord :	100.0 cm
Plug type :	Euro plug w/o earthing 2.5 A
Length electrical supply cord :	100.0 cm

**Included accessories**

1 x filling aid, 1 x filling tray, 1 x pusher, 1 x sausage attachment, 1 x kebbe attachment, 1 x continuous Shredder (Barrels), 1 x barrel shredding rough, 1 x barrel shredding fine, 1 x barrel slicing, 1 x barrel rasping, 1 x double-sided stainless steel blade, 1 x perforated stainless steel disc 8 mm, 1 x perforated stainless steel disc 3 mm, 1 x cleaning brush, 1 x perforated stainless steel disc 4,5 mm

## **Series 4, Food mincer, MultiPower Series 4, 1900 W, Black, Black MFWS440B**

**Designed for highest comfort of use thanks to intuitive operating knob, smart storage solutions, comfortable cleaning and strong motor for perfect mincing results and more**

### **Excellent Results**

- Powerful motor; effortless processing of meat and vegetables with 1900W motor block power
- Quick process: time-saving thanks to high machine performance up to 2.5 kg of meat per minute
- Affordability and efficiency; Smaller ( chamber size 5) food mincers are generally more affordable for occasional or moderate grinding needs, giving the most accurate and superb results simultaneously
- Planetary gearbox; delivers power where it is needed, ensuring a smooth and stable running machine and never works on the edge

### **Safety**

- Safe use: rubber feet for extra stability.
- 2 speed settings: for best results adapted to the type of food being processed.
- Reverse function: the reliable assistance to release food that has got stuck
- Metal coupling: ensures high performance even under heavy load
- Handy pusher: ergonomic and safe pusher that effectively supports ingredients loadment into the grinding chamber while protecting hands from accidental contact with the sharp elements

### **Comfort**

- Operating knob: intuitive, allows easy shift between two speed settings and reverse function, designed for easy operation, even with large hands
- Smart cable storage: compact and convenient storage compartment inside the body for placing the cable to prevent it from tangling and securing the plug.
- Smart disc storage; convenient access to the drives you need, located at the top of the unit for easy storage and use
- 12 cm height from countertop: thanks to the positioning of the chamber at 12 cm from the worktop, the working process is more pleasant and easier, as it allows the use of a large pot or bowl
- Large filling tray; can process larger quantities of meat at once, reducing the need for frequent refilling. This saves time and effort, especially when dealing with large batches of meat.

- Accessories storage in pusher: allows discs, kebbe, sausages to be stored in one place, provides convenience, organisation and easy access when needed.
- Easy cleaning: the product itself is designed to quickly and easily wipe the surface after work. In addition, most of the accessories, including the disc and knife, are dishwasher safe.
- Recipes: dedicated and tested recipes offer not only tips and inspiration, but allow the full potential of the product to be achieved and give users the opportunity to expand their culinary horizons

### **Material / Design**

- Design convinces in every detail; Modern and elegant design with 2 complementary surface structures in matt and glossy, thoughtful details and a perfect match of high-quality materials
- Easy portability: the carrying handle located at the bottom of the unit allows easy and convenient transport and handling at any time.
- Easy assembly of accessories: thanks to a single, repeatable assembly place, the process is faster, easier and more reliable, additionally confirmed with a 'click' to ensure that the accessory has been installed correctly.
- Sustainability: The MultiPower is delivered in a box made from > 90% recycled paper and an instruction manual made from 100% recycled paper. In addition, Bosch offers an elongated availability for spare parts of min. 10 years and a 10-year warranty on the motor. All to enjoy our product for a long time and to protect our environment.

### **Accessories included**

- Shredder with 4 barrels (fine and rough shredding, slicing, grating) easily slice cucumber, grate cheese or shred carrots for tasty salads. The drums are cone-shaped to make it easy to process ingredients without their remains staying stuck.
- Sausage attachment; the starter allows you to create your own delicious chicken, beef, pork or vegetarian sausages. By simply adding different spices and herbs it is possible to come up with new flavours to impress others at the next barbecue. Dishwasher safe.
- Kebbe attachment: preparing homemade kebbe has never been so convenient and quick, all thanks to a special accessory for creating tasty oriental dishes! Dishwasher safe.
- Knife: double-sided stainless steel knife precisely slices all kinds of ingredients, including meat, fish, cheese, etc. Dishwasher safe.
- Grinding discs in various sizes; perforated stainless steel discs (3 mm, 4.5 mm and 8 mm) ensure easy mincing of raw or cooked meat, fish and cheese. Can also process potatoes for dumplings or prepare potato pancakes and grind dried buns into breadcrumbs for use in other dishes. Dishwasher safe.
- Cleaning brush; specifically designed cleaning brush for support cleaning metal parts e.g. chamber. Ensures effective

and thorough cleaning, helps remove leftovers and maintains the appearance and functionality of the metal surfaces.
