PRODUCT BENEFITS

Exceptional steam power

A 125 g/minute continuous steam output for fast and efficient results comes together with a powerful 400 g/minute steam boost to tackle even the most stubborn creases and 6.5-bar pump pressure.

Exceptional soleplate

The Xpress Glide Soleplate provides outstanding glide for effortless and enjoyable ironing sessions, with optimal steam diffusion and durable performance day after day.

Hassle-free maintenance

For an appliance you can count on day after day, our Calc Clear Technology system ensures long-lasting steam performance and hassle-free maintenance.

No-setting technology

100% safe on any fabric with no risk of burning, monotemp technology offers the optimal steam/temperature combination for effortless, worry-free ironing and perfect results every time.

Energy-saving

A high-performance eco-mode saves energy while offering efficient garment care that's suitable for all regular garments.

Long ironing sessions

The high-capacity 1.8 L water tank is designed for maximum autonomy and less frequent refills—with the ability to refill during the ironing session for maximum convenience.

Made in France

Designed and manufactured entirely in France at the highest standards of quality, ensuring utmost craftsmanship and expertise.

15-year repairability

A 15-year repairable product—with low-cost, fast delivery from 6500 repair centers worldwide—part of our commitment to help protect the environment and cut down on waste.

Repairable at fair price - 15 years

- 6200 approved repairers worldwide
