

600 / 60 cm / 4 brûleurs / Wok / Pose-casseroles en fonte / Inox

Avantages et spécifications

Speed Burner for quick cooking

Gas Speed Burners are the quick and efficient way to cook. Unlike conventional gas hobs, Speed Burners use 20% less energy. They also accurately direct the flame to heat the base of pots and pans so you can cook food quickly.

Powerful Wok for fuller flavour

Boost the flavour of your food with our Powerful Wok burner. It delivers high levels of heat that are perfect for searing fresh prawns in a stir-fry or cooking off pastes to make mouth-watering curries. Create delicious flavours with the powerful heat of our burner.

Look like a pro with Cast Iron Grid pan supports

Give your hob a professional finish with our Cast Iron Grids pan supports. These sturdy supports provide a stable base for cooking. Thanks to their durable material, they'll last for years.

Safety without a second thought

Our gas hob is equipped with an automatic safety feature that turns off the gas if the flame accidentally goes out.

Single-handed, press-and-turn ignition control on all zones

Get this outstanding gas hob started the quick and easy way. Simply activate the burner you need by gently turning and pressing the knob to ignite the flame.
