

Chromecast with Google TV¹

Entertainment you love.
With a little help from Google.

Hey
Google

All you can watch.

- With Google TV, you no longer have to jump between streaming apps to decide what to watch.
- Browse 700,000+ TV episodes and movies, plus millions of songs, from apps such as Netflix, YouTube, Hulu and more.²
- Get personal recommendations across all your streaming apps.
- Voice search across apps with Google Assistant.³
- Populate your Watchlist with shows and movies from Google Search.⁴

Not just entertaining, helpful.

- Use the voice remote to turn the TV on, control the volume, and switch inputs.
- Access Google Assistant with the voice remote, which allows you to check the weather, play music, control your smart home and more.^{2,3,6}
- Chromecast with Google TV has a subtle design that blends into your home.

It's all about you.

- Watch your favorite shows and movies in up to 4K HDR.⁵
- Dolby Vision and Dolby Atmos offer crisp, high contrast video quality with immersive, dynamic sound.
- Cast pictures, videos and more from phone to TV with Chromecast-enabled apps.²
- Stream your photo library through Google Photos.

For now, and the future.

- Control Chromecast with Google TV with your voice using the voice remote.
- Enjoy whole-home audio by grouping a Chromecast with Google TV with other Nest speakers.⁶
- When casting, Stream Transfer lets you start playing audio or a YouTube video on one device, then move it to another.²
- Stream Nest Cam feeds through your TV.⁷
