Vacuum Cleaning Robot

Roomba® 631

Downloaded from www.vandenborre.be

Get a beautifully maintained home at the push of a button

Thorough Cleaning

Effectively handles hair, pet fur, lint and carpet fuzz using AeroVac™ Technology

Comprehensive Coverage

Adapts to your unique household environment to maximise cleaning with iAdapt® Responsive Cleaning Technology

Added Convenience

AeroVac™ airflow optimises bin capacity so you need to empty less often

ROOMBA 631 FEATURES

COVERAGE

Vacuums on its own using iAdapt® Responsive Navigation Technology.

Works on carpet, hardwood, tile and linoleum.

Dirt Detect™ uses acoustic sensors to detect small particles and to focus its cleaning.

CONVENIENCE

Automatically recharges itself between cleanings.

Auto Virtual Wall® keeps Roomba in the rooms you want to clean and out of the ones you don't.

Get a beautifully maintained home at the push of a button.

The iRobot® Roomba® 631 Vacuum Cleaning Robot provides a thorough clean with less work for you. Using a patented, three-stage cleaning system, Roomba thoroughly vacuums every section of your floor multiple times. With AeroVac™ Technology and a unique brush design, Roomba 631 effectively handles fibres like hair, pet fur, lint and carpet fuzz. Optimised airflow pulls hair off Roomba's brushes and guides it to the back of the AeroVac bin, allowing it to fill more evenly and requiring you to empty less often. The new iRobot XLife™ Battery delivers twice as many cleaning cycles as previous Roomba batteries, doubling the time before a replacement battery may be needed.

THOROUGH CLEANING

- Vacuums dirt, dust, hair and debris from your carpets, hardwood, tile and laminate floors
- Vacuums every section of floor multiple times
- Effectively handles hair, pet fur, lint and carpet fuzz using AeroVac™ Technology
- Optimised airflow and a unique brush design combine to pull hair off Roomba's brushes and guide it to the back of the AeroVac™ bin, allowing it to fill more evenly

COMPREHENSIVE COVERAGE

- Vacuums every section of floor multiple times
- Manoeuvres under and around furniture, beds and curtains
- Cleans along wall edges
- Avoids stairs, obstacles and loose wires
- Works in cluttered rooms without damaging furniture or fragile objects
- Detects dirt and debris and concentrates extra cleaning effort where it's needed most

ADDED CONVENIENCE

- Starts working at the push of the "CLEAN" button
- AeroVac™ airflow optimises bin capacity so you need to empty less often
- Unique brush design leaves less hair tangled on brushes
- Returns to its Home Base™ to dock and recharge between cleanings
- Auto Virtual Wall® keeps Roomba in the rooms you want to clean and out of the ones you don't
- New iRobot XLife™ Battery delivers twice as many cleaning cycles as previous Roomba batteries, doubling the time before a replacement battery may be needed*

**Roomba runtime remains the same between recharges. Battery lifetime varies with usage and home environment. Use Roomba as directed for longest battery life.*
