No cords. No wires. No worries.

## Peace of Mind

Keep an eye on everyone and everything that matters

From kids and pets to an empty home or after-hours business, you've got a lot to keep safe. Day or night, indoors or out, Arlo takes the wondering and worrying out of life with the world's ONLY 100% wire-free indoor/outdoor home monitoring system. Security so simple—just place Arlo's weatherproof cameras wherever you need them without needing to find a power outlet. They are battery powered that last up to 6 months.. Then use the free Arlo app anytime, anywhere to see crystal-clear live and recorded HD video. Arlo's motion sensors automatically send alerts to your phone when movement is detected, and records to your free private cloud storage to review anytime. Arlo is always ready to go when you are—add extra cameras to your system with the touch of a button.

## Features

**100% Wire-Free**  
The ONLY cameras free of ugly cords and wiring hassles

**Motion Alerts**  
Receive push notifications and emails if anything moves

**Night Vision**  
See what's happening even in the dark

**Weatherproof**  
Put Arlo anywhere—indoors or out

**HD Quality**  
Enjoy amazingly sharp 720p live video

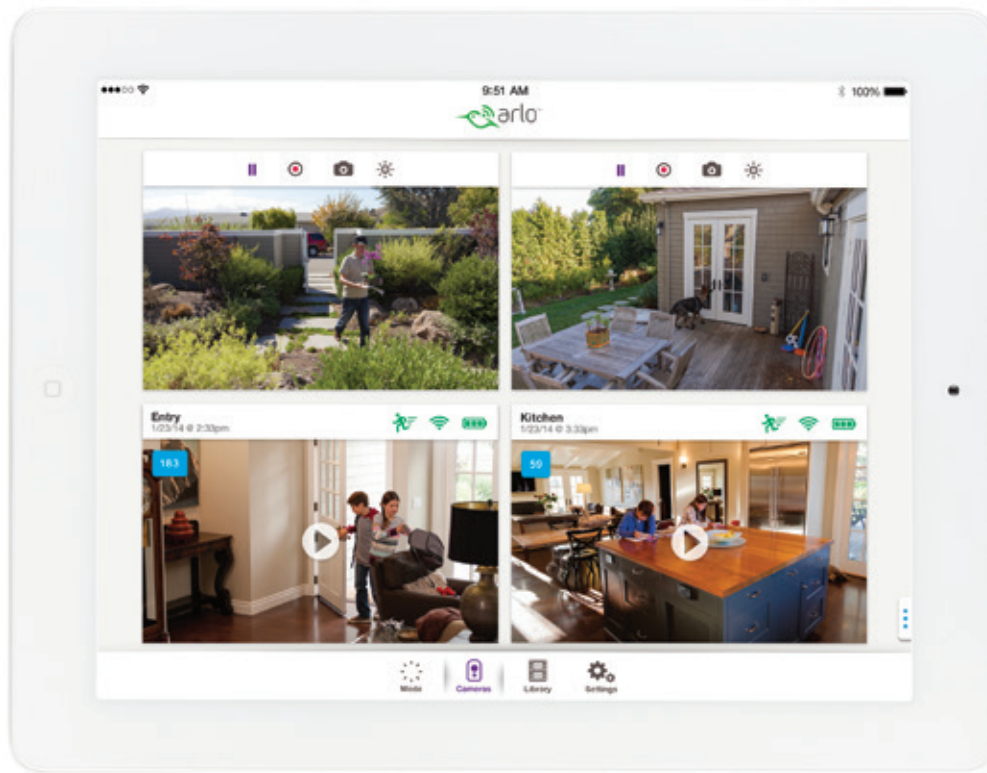

**FREE Cloud Storage**  
Store & review recent activity with cloud storage
