*\*when using the handheld on Eco position*

## EDITORIAL DESCRIPTION

### The stick vacuum cleaner that delivers maximum power for maximum comfort

Discover a cleaning experience like no other with the new Rowenta X-Force Flex 13.60. Now Made in France, this exceptional stick vacuum cleaner offers an easier cleaning experience with uncompromising performance, for high-efficiency cleaning made effortless. The next-generation brush and high-performance 150 AW motor ensure impeccable results on all floors—including carpets—with a lightweight, flexible design for easy access everywhere.

## ETAILING DESCRIPTION

### Rowenta X-Force Flex 13.60, Stick Vacuum Cleaner, Car Model, RH9A46WO

- **HIGH-EFFICIENCY SUCTION POWER:** Enjoy deep-cleaning performance on all types of floors—even carpets—with a next-generation brush and suction up to 150 Air Watts to tackle stubborn ground-in dirt
- **INTELLIGENT CLEANING:** Cutting-edge technology including automatic suction power adjustment by floor type for easy cleaning and optimal use of power and autonomy
- **LONG-LASTING CORDLESS EXPERIENCE:** Vacuum efficiently and continuously with a removable battery that provides up to 60 minutes\* of powerful suction (\*when using the handheld on powerful Eco position)
- **EFFORTLESS CLEANING:** Streamlined technology in a slim and lightweight design (handheld weight: 1.6 kg), offering cordless cleaning with total comfort
- **15-YEAR REPAIRABILITY:** Low-cost parts available in our 6200 repair centers worldwide, for quick repair over many years—part of our commitment to help protect the environment and cut down on waste
- **FULL CLEANING PACKAGE:** Our versatile accessories cover every inch of your home, from floor to ceiling, with ideal cleaning solutions for car owners thanks to the crevice and mini Turbo Brush
- **REACH THE UNREACHABLE:** Flex technology reaches deep below furniture for full cleaning everywhere without bending over, with LED bars to track dust in low-light areas
- **SMART MONITORING:** Adapt the suction power to your needs, see the remaining battery power and receive an alert when it is time to clean your filter to maintain performance over time
- **HIGH FILTRATION:** Releases clean air with an advanced system of filtration placed at the back of the motor which traps 99,9% of fine dust, allergens and dust mites
- **WHAT'S IN THE BOX:** Stick vacuum cleaner, charging base, charger, crevice tool, mini LED Turbo Brush

## PRODUCT BENEFITS

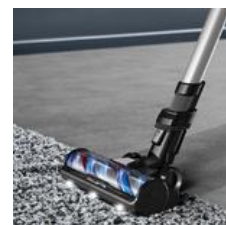

### Highly efficient cleaning

Total deep cleaning on all types of floors—even carpets—with a next-generation brush and suction up to 150 Air Watts for stubborn, ground-in dirt.

### Intelligent Cleaning

Cutting-edge technology offers automatic suction power adjustment by floor type for a vacuum cleaner that does the work for you.

### Long-lasting cleaning

A high-quality battery for fade-free suction up to 60 minutes\* to clean everywhere off a single charge. \*when using the handheld on Eco position

### Lightweight cleaning

A slim and lightweight design (1.6 kg in handheld mode) offering cordless cleaning with total comfort and convenience

### Versatile accessories

Versatile accessories let you clean in every corner of your car, thanks to the crevice tool and the mini LED Turbo brush to clean in depth the textiles of your car.

### Flex technology

Flex technology reaches deep below furniture to clean everywhere without bending over, with LED bars to track dust even in hard-to-reach areas.

### Smart monitoring

Your favorite vacuum cleaner now with a smart LED screen displaying speed, battery level, and smart filter cleaning alerts for effortless maintenance.

### High filtration

Ultimate filtration with 99,9% filtration technology capturing virtually all fine dust, allergens and dust mites—down to the very smallest.

### Optimized brush head design for ultimate suction

Deep-cleaning excellence is ensured with a brush head designed to meet all your cleaning needs, sucking up everything from tiny particles of dust to large pieces of mess and debris.

### Automatic floor detection for hands-off cleaning

The automatic floor adjustment function detects the type of floor and adapts its power for optimal results—whether on hard floors, carpets or even rugs.

### Illuminated lighting with LED bars

Track dust across every inch of your home, even in low-lit areas, with LED bars to light the way towards a spotless home.

### Translucent window for visible cleaning

The large, translucent window lets you observe the cleaning process in action, to watch with your own eyes as your house becomes spotless.

### An easy opening system for effortless maintenance

With every step of the cleaning process optimized, discover maintenance made effortless with an easy-opening design for maximum convenience.
