ETAILING DESCRIPTION

Rowenta X-Force Flex 13.60, Stick Vacuum Cleaner, Animal Aqua Model, RH9AD1WO

- **HIGH-EFFICIENCY SUCTION POWER:** Enjoy deep-cleaning performance on all types of floors—even carpets—with a next-generation brush and suction up to 150 Air Watts to tackle stubborn ground-in dirt
- **INTELLIGENT CLEANING:** Cutting-edge technology including automatic suction power adjustment by floor type for easy cleaning and optimal use of power and autonomy
- **LONG-LASTING CORDLESS EXPERIENCE:** Vacuum efficiently and continuously with a removable battery that provides up to 60 minutes* of powerful suction (*when using the handheld on powerful Eco position)
- **EFFORTLESS CLEANING:** Streamlined technology in a slim and lightweight design (handheld weight: 1.6 kg), offering cordless cleaning with total comfort
- **15-YEAR REPAIRABILITY:** Low-cost parts available in our 6200 repair centers worldwide, for quick repair over many years—part of our commitment to help protect the environment and cut down on waste
- **2-IN-1 CLEANING ACTION:** Aerospin aqua head vacuums and washes at the same time, scrubs away deeply encrusted stains thanks to the rotative microfiber mops—for shorter cleaning sessions and spotless results made easy
- **REACH THE UNREACHABLE:** Flex technology reaches deep below furniture for full cleaning everywhere without bending over, with LED bars to track dust in low-light areas
- **FULL CLEANING PACKAGE:** Our versatile accessories cover every inch of your home, from floor to ceiling, with ideal cleaning solutions for pet owners thanks to the mini Turbo Brush
- **SMART MONITORING:** Adapt the suction power to your needs, see the remaining battery power and receive an alert when it is time to clean your filter to maintain performance over time
- **WHAT'S IN THE BOX:** Stick vacuum cleaner, charging base, charger, crevice tool, sofa brush, mini LED Turbo Brush, Aerospin active Aqua Head with 4 mops

PRODUCT BENEFITS

Highly efficient cleaning

Total deep cleaning on all types of floors—even carpets—with a next-generation brush and suction up to 150 Air Watts for stubborn, ground-in dirt.

Intelligent Cleaning

Cutting-edge technology offers automatic suction power adjustment by floor type for a vacuum cleaner that does the work for you.

Long-lasting cleaning

A high-quality battery for fade-free suction up to 60 minutes* to clean everywhere off a single charge. *when using the handheld on Eco position

Lightweight cleaning

A slim and lightweight design (1.6 kg in handheld mode) offering cordless cleaning with total comfort and convenience

Flex technology

Flex technology reaches deep below furniture to clean everywhere without bending over, with LED bars to track dust even in hard-to-reach areas.

Aerospin aqua head

Cut your cleaning time in half with simultaneous vacuuming and washing thanks to a high-performance mop attachment enhanced with your Aqua accessory.

Versatile accessories

Versatile accessories let you clean in every corner and crevice, from floor to ceiling—with the mini Turbo brush offering solutions for pet owners.

Smart monitoring

Your favorite vacuum cleaner now with a smart LED screen displaying speed, battery level, and smart filter cleaning alerts for effortless maintenance.

Optimized brush head design for ultimate suction

Deep-cleaning excellence is ensured with a brush head designed to meet all your cleaning needs, sucking up everything from tiny particles of dust to large pieces of mess and debris.

An easy opening system for effortless maintenance

With every step of the cleaning process optimized, discover maintenance made effortless with an easy-opening design for maximum convenience.

Illuminated lighting with LED bars

Track dust across every inch of your home, even in low-lit areas, with LED bars to light the way towards a spotless home.

Powerful suction up to 150 Air Watts

The first step of a 2-in-1 cleaning package is the impressive level of suction power that removes waste and dust.

Rotating mops for simultaneous mopping

Two rotative microfiber mops turn your vacuum into a 2-in-1 cleaning machine—scrubbing away at stubborn inground stains and mess and leaving your home spotless in half the time.

**when using the handheld on Eco position*
