

A good design and powerful vacuum cleaner

NILFISK POWER: For those who want excellent cleaning results. Do you want a smart vacuum cleaner that has a powerful 2000W motor for excellent dust pick-up, a HEPA filter to trap allergens, a really low sound level, and a robust and reliable design? Nilfisk Power is the one.

Impressive performance combined with a functional design makes cleaning as easy and as pleasant as it can be. The vac has high quality nozzles and on-board accessories, a soft handle, click connections between hose, tube and nozzle. The vac has adjustable power that can be set to the specific cleaning task. The 8m cable allows a large operation radius.

PRODUCT FACTS

- Concentrated power, 2000W motor: impressive performance gives you an excellent cleaning result.
- HEPA filtration: HEPA filter will help put a lid on allergies. Dirt comes in, and clean air comes out.
- Silent: Silent enough, so you still can hold a conversation while you vacuum.
- Robust design: Long lasting and functional for many years to come.
