

### It works so you don't have to.

With exclusive 3D Vision System™, Electrolux RX9 sees all the opportunities and navigates the challenges in your home, making sure to clean the most difficult areas as well as avoid getting stuck. The mobile app connection allows you to customize a cleaning schedule and operate even when you're not at home.

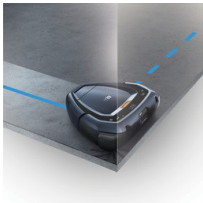

With exclusive 3D Vision System™, Electrolux RX9 sees all the opportunities and navigates the challenges in your home, making sure to clean the most difficult areas as well as avoid getting stuck. The mobile app connection allows you to customize a cleaning schedule and operate even when you're not at home.

### Product Benefits & Features

#### No preparation needed

Unique 3D Vision System™ spots objects and simply cleans around them without getting stuck.

#### Cuts no corners

Cleans every corner thoroughly and alongside edges thanks to unique Trinity Shape™ design.

#### Simply effortless

Set your cleaning schedule and control your robot from anywhere with the RX9 app.

#### No boundaries

Effortlessly crosses thresholds up to 2,2 cm thanks to ClimbForceDrive™.

#### Always in control

Always know what your robot is up to with the coverage map and live statistics.
