Ultra powerful day after day

Delivering exceptional steam power in a user-friendly design, Calor Pro Express Ultimate II delivers uncompromising garment care with total ease. This high-performance steam generator iron combines performance with a variety of smart features and design: Easy and versatile settings at your fingertips with three settings to cover all your garment needs, our removable calc collector system for long-lasting steam performance, vertical steaming for last-minute touch-ups, and more.

EDITORIAL DESCRIPTION

The ultra-powerful steam generator iron for uncompromising performance day after day

Calor Pro Express Ultimate II brings together ultra-powerful steam with smart features and design for a steam generator iron that makes life easier every day.

Exceptional steam power—8-bar high pressure, a cont. steam output up to 170 g/min and an extra-robust 610 g/minute steam boost—ensures high-efficiency results, with three easy settings at your fingertips and a full range of advanced features to make garment care easier every day.

ETAILING DESCRIPTION

Calor Pro Express Ultimate, Steam Generator Iron, 8-Bar High Pressure, Metal Black, GV9723C0

- **ULTRA-POWERFUL STEAM:** 8-bar high pressure, a 170 g/min continuous steam output for high-efficiency performance, and an extra-powerful 610 g/min steam boost for even the most stubborn creases
- **EASY TO USE:** Choose from Delicate, Normal or Max settings—all easily accessible and at your fingertips for a steam generator iron that covers all your garment care needs
- **LONG-LASTING STEAM PERFORMANCE:** Our exclusive removable calc collector system avoids build-up and fosters longer product life, collecting up to 10x more calc particles* (*external test, compared to competitors' products)
- **VERSATILE:** Easy vertical steaming of delicate and large garments, ideal for getting creases out of suits and other hanging garments—even curtains
- **15-YEAR REPAIRABILITY:** Low-cost parts available in our 6200 repair centers worldwide, for quick repair over many years—part of our commitment to help protect the environment and cut down on waste
- **EASY AND SAFE CARRY:** The lock system ensures easy transportation and storage for total convenience and peace of mind
- **TOTAL ANTI-DRIP PROTECTION:** Ensure all your garments stay spotless and in perfect condition thanks to our exclusive anti-drip system that converts droplets into raw steam for unmatched peace of mind
- **MADE IN FRANCE:** A high-performance product made in France at uncompromising standards of craftsmanship, design and manufacturing

PRODUCT BENEFITS

Ultra-powerful steam

Exceptional steam power to meet all your needs: 8-bar high pressure, a 170 g/min continuous steam output, and an extra-powerful 610 g/min steam boost to tackle even the most stubborn creases.

Easy and versatile controls

A simple choice of Delicate, Normal or Max functions to cover all your garment care needs—with controls right at your fingertips for total ease of use.

Long-lasting steam performance

Our removable calc collector system avoids build-up and fosters longer product life, collecting up to 10x more calc particles*. *external test, compared to competitors' products

Easy vertical steaming

Steaming of delicate and large garments is made easy with the vertical steam feature, ideal for getting creases out of suits and other hanging garments, even curtains.

Easy and safe carry

The lock system ensures easy transportation and storage for total convenience and peace of mind.

Exclusive anti-drip protection

Ensure all your garments stay spotless and in perfect condition thanks to our exclusive anti-drip system that converts droplets into raw steam for unmatched peace of mind.

Made in France

A high-performance product made in France at uncompromising standards of craftsmanship, design and manufacturing.

15-year repairability

Designed for easy repair, with low-cost and fast delivery of spare parts for 15 years and more, thanks to more than 6500 repair centers worldwide.
