Advanced Wireless Illuminated Keyboard

MX KEYS PLUS

Advanced Wireless Illuminated Keyboard with Palm Rest

MX Keys is Logitech's most advanced typing experience yet. Designed for designers and engineered for coders, it combines crafted keys with smart illumination and a remarkably solid build.

PERFECT-STROKE TYPING

Perfect-stroke keys are shaped for your fingertips and increased key stability reduces noise while optimising responsiveness.

SMART BACKLIGHTING

The backlit keys light up the moment your hands approach, and automatically adjust to suit changing lighting conditions.

COMFORT & STABILITY

Type with confidence on a keyboard crafted for comfort, stability and precision, as well as durability. The soft palm-rest brings extra comfort to a long day.***

MULTI-DEVICE & MULTI-OS

Connect via Bluetooth® Low Energy or Unifying USB with up to three devices, and switch between them at the push of a button.

FLOW

MX Keys follows your MX Master 3 – or other Flow-enabled mouse – from one computer to another, meaning you can type on multiple devices in one fluid workflow.*

BATTERY

Full charge lasts up to ten days – or up to five months with backlighting off.**

*Requires Logitech Flow-enabled mouse and Logitech Options software, available at www.logitech.com/options.

**Battery life may vary based on your use.
