

Be stylish in your kitchen, too!

A ray of sunshine in your kitchen

Simplicity meets style for a fresh kitchen aesthetic and a total look on your countertop!

1.25 L capacity for up to 15 cups

The large 1.25 L capacity prepares up to 15 cups of coffee, for freshly brewed coffee all day long.

Timer for freshly brewed coffee right when you wake up

The timer function allows you to program the brewing cycle up to 24 hours in advance. Wake up to freshly brewed coffee every morning.

Transparent water window for easy filling and dosing

The transparent water window ensures precise, easy filling and dosing.

Pivoting filter holder for greater comfort of use

Coffee dosing is made easy thanks to the pivoting filter holder which ensures easy access.

Anti-drip system for coffee any time

Thanks to the anti-drip system, you can pour a cup of coffee at any time during the brewing cycle with no fear of drips.

Auto-off for total peace of mind

Thanks to auto shut-off, the coffee maker shuts down automatically following a 30-minute keep warm cycle, for worry-free coffee and total peace of mind.
