The NewStar wall mount, model NM-W440WHITE is a full swing tilt- and swivel wall mount for flat screens up to 55". This mount is a great choice when you want the ultimate viewing flexibility with your flat screen TV. Effortless pull the display out from the wall, position it in almost any direction, turn it around corners and then smoothly return it to the wall when finished.

NewStars' tilt (30°) and swivel (180°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the flat screen. The mount is easily depth adjustable from 4 to 51 centimetres. An innovative cable management conceals and routes cables from mount to flat screen. Hide your cables to keep living room, bedroom or home cinema installation nice and tidy.

NewStar NM-W440WHITE has three pivot points and is suitable for screens up to 55" (140 cm). The weight capacity of this product is 25 kg each screen. The wall mount is suitable for screens that meet VESA hole pattern 75x75 to 400x400mm. Different hole patterns can be covered using NewStar VESA adapter plates.

Create a clean design ambiance for your flat screen TV in a living room, bedroom or public environment.

All installation material is included with the product.
