**Loft, Electric Kettle, 2400 W, Automatic Shut-Off, Water-Level Window**

Loft, Electric Kettle, 2400 W, Automatic Shut-Off, Water-Level Window  
K02517E0

## **A retro design with modern ease!**

Featuring a retro look, the Loft electric kettle is an eye-catching addition to any kitchen countertop. Its timeless design is offset by convenient modern features, including an automatic shut-off, transparent water-level window for easy filling, and removable, easy-to-wash limescale filter. Equipped with a generous 1.7 L capacity that prepares up to 7 cups of delicious hot beverages, it's ideal for the whole family!

### **Included:**

- **Electric kettle (1.7 L)**

## EDITORIAL DESCRIPTION

### A retro design with modern ease!

Start your morning in style, with a breakfast range that elevates your countertop with a retro touch. Perfect for busy mornings, this electric kettle heats up water in a flash and automatically shuts off upon reaching a rolling boil. Equipped with practical features, its generous capacity prepares up to 7 cups—perfect for family and friends.

## ETAILING DESCRIPTION
